Dear Doug,

As you well know, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M. D'Amato, and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

A Taiwan corn and soybean-buying delegation will visit Wisconsin, along with four other states, in late September. As per the attached invitation which Senator Ron Johnson has presumably already received, there will be an LOI signing ceremony for said purchases on Tuesday, September 20th from 2:30-5pm in Room SVC 208 of the U.S. Capitol Visitor Center. FYI, the actual signing's between 3:30-4:30pm.

Can you help me find somebody in Senator Johnson's office to whom I can forward the invitation? Please let me know what, if any, further information you might need.

Thanks and regards from Taipei,

Dear Ms. Wheeler,

My name is Sean King in former U.S. Senator Alfonse D'Amato's office. I liaised with your predecessor, Peter Fischer (about whose departure I just learned), on Taiwan matters.

As per below, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M. D'Amato, and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

I'd appreciate whatever consideration you can give to the 9/20 agriculture LOI signing. Many thanks in advance.

Dear Peter,

Hi, how are you?

As you know, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M. D'Amato, and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

A Taiwan wheat-buying delegation will visit Idaho, along with a few other states, in late September. As per the attached invitation which Senator Fischer has presumably already received, there will be an LOI signing ceremony for said purchases on Tuesday, September 20th from 2:30-5pm in Room SVC 208 of the U.S. Capitol Visitor Center. FYI, the actual signing's between 3:30-4:30pm.

Considering Senator Crapo's a strong Taiwan supporter and not long ago met with Taiwan Special Representative Ambassador Jason Yuan, please know how much it would mean to Ambassador Yuan and Senator D'Amato if Senator Crapo could stop by the signing. It's good for Idaho exports and it's good for Taiwan.

Please let me know what, if any, further information you might need.

Dear Rich,

As you may recall from our Taiwan travel e-mail exchange in June, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M. D'Amato, and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States.

A Taiwan corn and soybean-buying delegation will visit Illinois, along with a few other states, in late September. As per the attached invitation which Senator Kirk has presumably already received, there will be an LOI signing ceremony for said purchases on Tuesday, September 20th from 2:30-5pm in Room SVC 208 of the U.S. Capitol Visitor Center. FYI, the actual signing's between 3:30-4:30pm.

As I know Senator Kirk's interested in the region, and it's also good for Illinois agricultural exports, please know how much it would mean to Taiwan Special Representative Ambassador Jason Yuan and Park Strategies Managing Director Alfonse D'Amato if he could stop by the LOI signing. Please let me know what, if any, further information you might need.

Dear Jim,

As you may recall from our F-16 conversations and e-mails in May, Park Strategies, LLC and I are registered with the U.S. Department of Justice, under the Foreign Agents Registration Act, as agents on behalf of our client, the Taipei Economic and Cultural Representative Office (TECRO) in the United States. I doubt you handle wheat, but I don't know anybody else in your office. I'd appreciate you handing this on to the right person.

A wheat-buying delegation from Taiwan will visit South Dakota, among a few other states, in late September. As per the attached invitation which Senator Thune has presumably already received from Taiwan Ambassador Special Representative Jason Yuan, there will be an LOI signing ceremony for said agricultural purchases on Tuesday, September 20th from 2:30-5pm. FYI, the actual signing's in between 3:30-4:30pm.

It would mean so much to Ambassador Yuan if Senator Thune could stop by the signing, as the delegation's visiting South Dakota. Please let us know if there's any further information you might need on this, thanks in advance for your kind consideration.

Anita,

Can you please have AmCham's Andrew Wu coordinate with Rep. Reed's CoS, Jay Dutcher, on Rep. Reed's proposed AmCham speech? As per the attached working itinerary, we're targeting that Wednesday, October 19th for said speech. FYI, please keep the itinerary in-house, thanks.

Wednesday afternoon's also when we'd like to do the Corning visit. Can we nail that down, and find out whatever all we need to know about Corning's activities in Taiwan, when I'm there next week?

p.s. Jay, to reiterate, Park Strategies, LLC, Park Strategies Managing Director Senator Alfonse M.
